

# **He Touched Me**

Key D, Time 3/4 *Intro: last two lines of chorus*

## **Verse 1.**

**A7**                    **A7**        **D**  
Shackled by a heavy burden  
**A7**                    **A7**                **D**  
'Neath a load of guilt and shame  
**G**                    **G**                **D**                **Bm**  
Then the hand of Jesus touched me  
**A7**                    **A7**                **D**        **D**  
Now I am no longer the same

## **Chorus**

**A7**                    **A7**        **D**                **D7**  
He touched me, oh He touched me  
**G**        **D**                **E7**                **A7**        **A7**  
And oh the joy that floods my soul  
**D**                    **A7**                    **D7**        **G**  
Something happened and now I know  
**D**                    **E7**        **A7**        **D**        **D**  
He touched me and made me whole

## **Verse 2.**

**A7**                    **A7**                **D**  
Since I met the blessed Savior  
**A7**                    **A7**                **D**                **D7**  
Since he cleansed and made me whole  
**G**                    **G**                **D**                **Bm**  
I will never cease to praise Him  
**A7**                    **A7**                **D**  
I'll shout it while eternity rolls

## **Ending**

**D**                    **A7**                    **D**                **G**  
Something wonderful happened and now I know  
**D**                    **E7**        **A7**        **Bm**        **G**  
He touched me and made me whole  
**D**                    **E7**        **A7**        **D**  
He touched me and made me whole
